

Affidavit of Mark Jaworski

As an employee of the State of Indiana, I am a Senior Environmental Manager with the Indiana Department of Environmental Management, Site Investigation Program of the Federal Program Section. Under a cooperative Agreement with the U. S. EPA, I assess potential hazardous waste sites under the auspices of the Comprehensive Environmental Response Compensation Liability Act (CERCLA) that may pose a threat to human health and the environment.

On June 2, 2015, I had a telephone conversation with Mary Armacost, Speedway Water Works. Ms. Armacost stated that the well screens installed in their municipal wells are placed at the bottom of the well.
